

Repellency for the Conscious

WHAT IS PF Zero™?

PF Zero™ is a non-fluorocarbon based water and stain repellent finish with exceptional durability and maximum protection. **PF Zero™** outperforms the industry standard rating of 90, even after fifty washings, to provide the most durable, environmentally conscious, and innovative fabric solution.

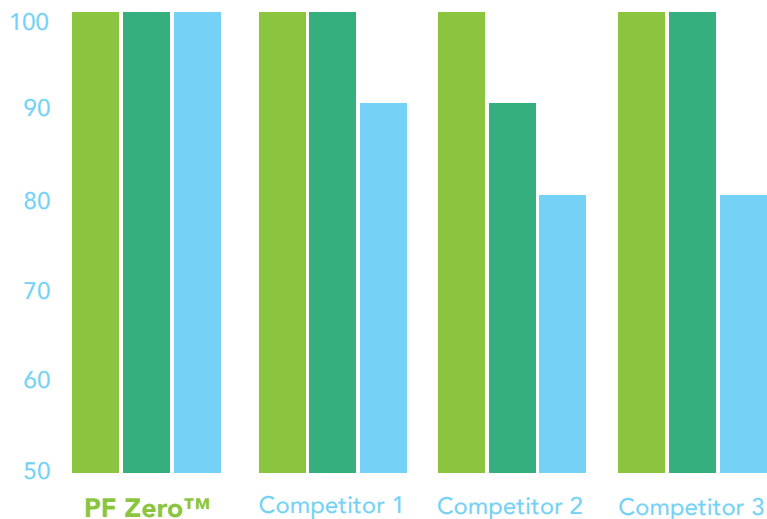

TEST RESULTS / SPRAY TEST

Rating	Evaluation
100	No sticking or wetting of upper surface
90	Slight random sticking or wetting of upper surface
80	Wetting of upper surface at spray points
70	Partial wetting of whole of upper surface
50	Complete wetting of whole of upper surface

Spray test evaluation after 'x' washings.
